

# River Basins of Colorado

By John J. Kosovich  
USGS Central Region Geospatial Information Office  
February, 2009

**Data Sources:**  
Watersheds were derived from original data provided by David Litke, USGS-WRD Colorado District.  
Cities are a subset of data provided by the Colorado Department of Local Affairs.  
Shaded relief was created from the U.S. Geological Survey's National Map elevation layer.  
Hydrography and continental divide data were modified from the U.S. Geological Survey's National Atlas.
